Dear Sir:

In response to the Examiner's reasons for allowance, Applicants respectfully note that the amendment to claim 1 by including the limitation of "of a condition register" was only to clarify the subject matter and was not to overcome prior art. Similarly, the amendment to claim 39 was only to clarify the subject matter being claimed and not to overcome prior art. Applicants would further like to note that the Examiner's citation to particular passages in Applicants' Specification for the meaning of particular limitations is exemplary and that the meanings for such limitations are not to be limited to such interpretations. Applicants respectfully assert that claims 1-14 and 39-40 are also allowable for at least the reasons stated in Applicant's amended

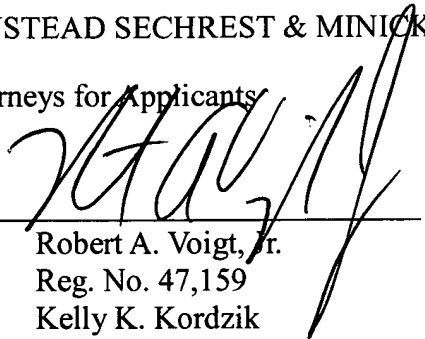

supplemental appeal brief submitted on April 6, 2005 as well as in prior appeal briefs and responses.

Respectfully submitted,

WINSTEAD SECHREST & MINICK P.C.
